Gages

Dyer Gage	Bore gages, groove gages, in-wall thickness gages, special application gauges, indicating units, set masters	www.dyergage.com
Fowler	Precision Micrometers, Calipers, Depth Gages, Tool sets, Indicators, Bore gages, Zcat cmm, Height gages, Horizontal Measurement and Calibration, Optical Measurement, Reference Masters and wide variety of Shop Tools	www.fowlerprecision.com
Hemco Gage Co.	Hemco gage-Precision hard chromed gages, set plugs, ring gages, snap gages, sucker rod gages, api gages, cylindrical rings, reversible plugs, taper lock plugs, pin gage sets, master set plugs, special thread gages and calibration services	www.hemcogages.com
Mitutoyo	Micrometer, micrometer heads, bore gages, inside micrometers, calipers, height gages, depth gages, gage blocks, dial indicators, thickness gauges, laser scan micrometers, liner gages, microscopes, hardness testing machines optical comparators and cmm	www.mitutoyo.com
Northern Gauge	Api, plug, ring thread gages, go and no go gages, Solid Thread Rings	www.northerngauge.com
Ottawa Gage	Custom gaging, fixture gaging, precision machining and grinding, calibration dimensional services, and standard gages	www.ottawagage.com
Pennoyer-Dodge	Precision Gages : Ring Gages, Set Plugs, Work Plugs, Cylindrical Gages, Taper Pipe Gages, Thread Engineering and Tooling Specialist Since 1948	www.pdgage.com
PMC Gage	API, Thread, Acme	www.pmclonestar.com

Sterling Gauge and Calibration	Acme, Buttress and modified threads, cylindrical rings and plugs, thread rings, set masters	www.stindustries.com
Westport Gage	Gages, Calibration and Measuring ISO 9001, ISO 6506, ISO 6508 and ISO/IEC 17025 & ANSI/NCSL Z540 accredited.	www.westportcorp.com

Cutting Tools and Abrasives

PSS-Abrasives & Tool Division	Honing Stones and tools	www.pss-atd.com
Bullard Abrasives	Grinding abrasive tools	www.bullardabrasives.com
Cowles-Tool	Industrial Knives, Blades and Tooling, Precision Slitter	www.cowles-tool.com
Monster Tool	Solid carbide cutting tools, blanks, boring bars, burrs, drills, end mills, reamers and routers	www.monstertools.com
Northland Drill	Jobber, Screw machine, Silver & Reaming, Extra length drills, Special, Carbon, steel taps, dies, tap wrenches	www.northlanddrill.com
Pride Abrasives	Honing Stones, Abrasives, Dressing Sticks	www.prideabrasiveinc.com
Radiac Abrasives	Grinding tools, Indexable inserts, round tools hss taps, bevel gear grinding, gear honing, profile grinding, dressing wheels, dressing sticks, engine valve grinding, segment grinding	www.radiac.com
RTS	Specialty Cutting Tools, Design, Rebuild, Regrind	www.rtscut.com
SCT	Scientific cutting tools-Indexable tools, boring bars, holders, thread mills, single point tools, and port tools	www.sct-usa.com
Sidley	Diamond-dressing tools, diamond tools, PCD & CBN ,bore finishing tools, plated tools and honing tools	www.sidleydiamond.com

Widell Taps, Dies, Gages, Tap and Die Set, Internal Tool holders, External Tool Holders, Threading Inserts, Hss, Npt, Nps, Pipe Threads www.widell.com

Yamawa Taps, Aircraft taps, dies, drills, tap gages www.yamawa.com

Machine Tool & Accessories

Barnes Honing & Bore Finishing Vertical and horizontal boring and honing machines www.barneshoning.com

Balance Technologies Custom Precision Measurement and Testing Equipment For all Applications. www.balancetechnology.com

Century Machine Honing machines, honing head repairs, abrasives cloths, tooling and equipment www.centurymachine.com

Command Tool Tool holders, static holders, driven tools, varia quick change systems, Collet holders (ER, TG, XT) end mill, shell mill, shrink fit, stub arbor, tap, Morse tapers, jacob tapers, collet extensions, collet nuts, special tool holders available www.commandtool.com

LapMaster Wolters Lapping polishing machinery, fine grinding machinery, diamond slurry, diamond compounds www.lapmaster.com

Multicam Cnc routers, plasmas, lasers, water jets, knife machines, digital finishing www.multicam.com

PRAB Coolant filtration systems, chip removal, paper bed filters, vacuum filtration www.prab.com

Summit Machine Tools Manual lathes, CNC lathes, big hole lathes, horizontal & vertical boring mills, drills, vertical & horizontal mills www.summitmt.com

Fabrication Equipment

Baileigh	Metal Fabrication Equipment	www.baileigh.com
UTE / Universal Tool & Engineering	Quality Metal Cutting Bandsaw	www.universaltool.com
WellSaw	Quality Metal Cutting Bandsaw	www.wellsaw.com

Coatings

ParkWay-Kew	Plungers: Repair spray fusion coatings for longer wear life, tungsten carbide and ceramic coatings new/reworked Plungers	www.parkwaykew.com
-------------	--------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------

Work Holding Tools

Speed Grip Chuck Cameron / Madison	Precision Chucking Equipment, Work Holding Hydraulic Arbors, Face Drivers	www.speedgrip.com
---------------------------------------	---------------------------------------------------------------------------	----------------------------------------------------------

Special Products

Acme Carbide-Die	Carbide and steel dies for cold & warm forming applications & powered metal tooling	www.acmecarbide.com
E & E Special Products	Linear and Rotary motion devices	www.eeeng.com

Services

SPS Spindles Parts and Service	Precision spindles, On-Site Spindle Repairs, slides & milling heads	www.spsspindle.com
Yart Manufacturing	Tube fabrication solutions	www.yartmfg.com
O2 Corporation	Oxygen assembly- Cleaning and testing services	www.o2corporation.com
